Functions of the Phase-wise Sub-Committees

- Prepare, monitor, and coordinate the implementation of the academic schedule for their respective phases.
- Coordinate internal assessments, university examinations, and other academic activities.
- Facilitate integration, AETCOM sessions, early clinical exposure, electives, and other CBME-related activities as applicable.
- Review attendance, academic progress, and student feedback, and recommend corrective measures whenever necessary.
- Coordinate with departments, the Curriculum Committee, and the Medical Education Unit for smooth conduct of teaching-learning activities.
